**Foreword**

We, the Annual Staff of Dublin High School, present with pleasure, the 1959 edition of Maple Leaves. We would like to express our sincere appreciation to all those who have given so freely of their time and efforts in making this book a reality. We give to you our staff, our classes, our organizations and our numerous activities that have been the body of our educational program. We have tried to recapture, through the magic of the camera's eye, those glorious moments of our sports program and other outstanding events that have added so much to our lives.

In our constant search for knowledge we turn first and last to the printed word—the knowledge which has so faithfully been preserved and handed down to us throughout the ages. As we have grown in school, we have learned to read both for pleasure and information. The library gives us an opportunity to grow, to develop and fills a vital place in the school life of every student.

Today it is becoming increasingly important to be conscious of the fact that our future vitally depends on scientific advancement. Even in our everyday life, it is necessary to be informed on scientific developments. Facts change, new ideas develop, and a whole new concept may be born in a relatively short time. Certainly ours is a time when one should realize the importance of the meaning of scientific achievement. The science laboratory fills not only an important place in our school but also in our future. Life is composed of many facets, but scientific progress connects the world of today with the world of tomorrow.

FROM

CAPABLE LEADERS...

The student body of a school is ever dependent upon a faculty to lead and direct the course of its education. We feel that we are able to turn to the faculty for expert counseling. They have led us in our constant search for knowledge and given us a more stable preparation for tomorrow. They have helped develop our attitudes and have influenced our future. It is our highest resolve never to forget those who have given to us so much of themselves. To the faculty we wish to say a sincere, "Thank you."

The modern day student is always being challenged by the adventure and excitement in discovering the world about him, understanding people of other countries—their customs and their language.

Our school days have provided much gaiety, and in looking back we realize that these have been, truly the best years of our lives.

# IN THE YEARS TO COME, MAY THE *Wonder*

The Maple Leaves Staff presents to the student body a record of the happy days and treasured memories experienced at Dublin High School. Weeks and months of toil, late hours and fun have gone into the publication of the 1959 MAPLE LEAVES. We hope you will forever hold and cherish these memories. We are honored to have been on the annual staff and to have been a part of your annual.

Everyone looks forward to the time of day when he has a few minutes in which to relax and chat with his friends. Lunch-time and the wholesome atmosphere of the cafeteria provide such an opportunity. Here we also enjoy the delicious meals prepared by our congenial cafeteria staff.

Homemaking plays an important part in preparation for the future. It promotes a growing appreciation of the joys and satisfactions of the home. It encourages each individual to make her contribution to family life and to understand the duties and responsibilities involved in family living. Homemaking will strengthen companionship among family members and help individuals recognize and solve their own problems.

# Dedication

Since our school began in the fall of 1953, the community and all those associated with our school have been amazed and pleased at the remarkable progress shown by the Music Department. This extraordinary progress is largely due to the combined efforts of Miss Joan Fanning and Mr. Blaine Corder, who have given so freely of their time and talents. Miss Fanning's interest and enthusiasm have been large factors in the expansion of the music program at D. H. S. Mr. Corder's

high standards and his sincere interest have been a great contribution to our school. We are proud of our band and chorus and other groups under their supervision. By having a full time band and choral director, fifty per cent of our students now have music classes at some time during the year. It is with much appreciation that the Maple Leaves Staff dedicates this annual to Miss Joan Fanning and Mr. Blaine Corder.

All students look forward to that final day—graduation.

## Principal's Message

I sincerely hope that this has been a successful and rewarding year for each of you. I think that the feeling of pride which you have in the accomplishments of your school will tend to help other students maintain our high standards in future years. It has been said that it takes an educated person to realize how much more there is to learn, and I am sure the same can be said about a school and its accomplishments. Our pledge at Dublin High School will be to offer you the best possible educational opportunity. We hope your pledge will be to accept the challenge to accomplish something worthwhile in life. Your education here is only a beginning. Do not be lulled into the assumption that graduation from high school completes your learning. Indeed, commencement means beginning.

Jimmy Bullion, Judy Simms, Todd Repass, Carol Barbre, Lewis Edmonds, and (not pictured) Becky Strupe and LeRoy Shelburne represented Dublin High School at the 1958 Boy and Girl's State that was held in July at V. P. I.

A great many of the seniors will continue their education by attending college. To prepare them for this step College Day was held, which gave them a chance to meet representatives from the different colleges.

Mr. Dobson and Mrs. Whitmer are serving cokes to Mr. Divers' homeroom, who sold magazines in the annual magazine drive. Many clubs and organizations likewise have contributed largely to the stadium fund.

Thirty-six boys went all out to demonstrate their "beauty" when the Senior Class sponsored the 1958 Boy's Beauty Pageant in November. A capacity crowd enjoyed the mock beauty contest.

Butch, seen &  
it has been a  
pleasure knowing  
you. God grant you  
your life's desire  
Love Yr  
Aunt.

Ah, with what lofty hope we came  
But we forget it, dream of fame,  
And scrawl, as I do here, a name.

—Lowell

Yet leaving here a name, I trust,  
That will not perish in the dust.  
—Southey

Public speaking classes offer education, training and practical experience in speaking and leadership activities.

Our Industrial Arts Department offers training in wood work and metal work.

The agricultural program assists many boys in learning better methods of farming as well as providing vocational training.

The Physical Education Department provides health education, intra-mural sports programs and physical training.

The busy days start as hundreds of students file through the lobby early in the morning.

What day would be complete without the "gab and gossip" that goes on at lunch time?

Physics, one of the higher sciences, prepares us for the complex scientific society of today.

During the year a number of assemblies are provided for our entertainment and education.

One of the highlights of the Christmas season was a pageant sponsored by the Tri-Hi-Y.

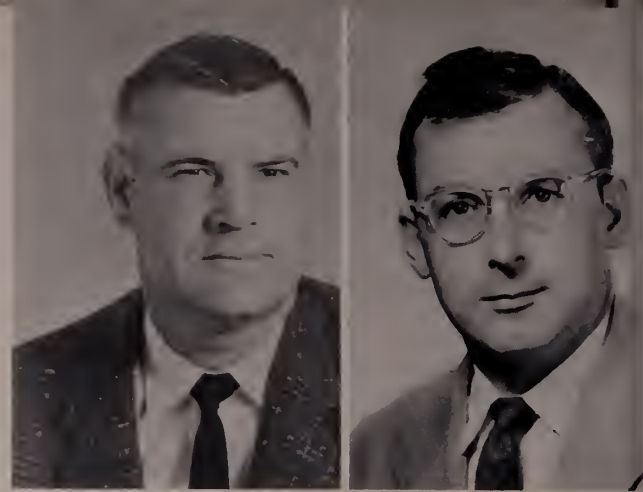

All our students look to the Guidance Department for assistance in counseling and planning their school program.

*Athletics*

We are proud to have men of the highest caliber as our coaches. We appreciate them and all they have done.

## Varsity Football

The date was November 15, 1958-another red letter day in this school's history-The Dukes won District VI Championship for a second year. "Victory! Victory!" The Dukes had finished the season with ten straight wins, and were scored on only twice! ! ! In the Blacksburg game the Dukes and Indians battled back and forth, but in the final minutes the fired up Dukes won 7-0. On October 17, the Dukes celebrated the best homecoming ever at D. H. S. by beating the Demons 30-0. On October 31, a crowd of

2,500 fans saw the Dukes play their best game of the year against the Orioles! We might say the Dukes did nothing wrong and the Orioles could do nothing right; and the game ended with a 40-0 victory for the mighty Dukes. Those seniors playing their last game will be greatly missed but we always hope the coming years will be just as successful as the past. We are proud of Coaches Gene Crookshank and Ken Dobson, and of the great Dublin Dukes!

## Junior Varsity Football

Although not polished athletes, the Junior Varsity have learned the fundamentals of football and have spent much time in practice. This year our Jayvees won more than half the games played and Coaches Bob Hartsock and Eddie Crews feel the season

was extremely profitable. Much progress was made toward the last of the season as it closed with four straight victories. The crowning touch to the season was a 20 to 13 victory over our neighboring rival, Pulaski.

The Eighth Grade Football team did an excellent job this fall in preparation for future years. A group of exceedingly small boys displayed a great deal of interest and effort. No more real desire has been seen for a long time in a group of small boys. Most of the season was spent on the teaching of

fundamentals, so that when this group reaches varsity level a lot of time will not have to be spent on these phases. Quite a bit was accomplished and in the next three years these eighth graders of today should field a very fine team.

## Varsity Basketball Team

The varsity squad of D.H.S. started their season off in glory, winning the first two games from Pearisburg and Pembroke. Word got around after the second win that because of our fine players and excellent coach the Dukes would go on to an undefeated season. This would top last years 16-4 record. But as fate would have it, the team lost the next four. The team was sparked by the brilliant playing of Co-Captains Jimmy Wilkerson and Larry Blevins, who were among the six high scorers of the team. The other four were: Doyle Eller, Ralph Mabry, Jerry Giles and John McMullin. A number of boys have played their last Dublin game and will be greatly missed next year. Those in the 1959 graduating class are: Wilkerson, Blevins, Tilson, Loar and McMullin.

## Junior Varsity Basketball Team

The junior varsity team led by coach Eddy Crews had a good season this year. They were well matched by other teams from competitive schools. The boys all played well and their fine spirit and good coaching paid off. The fact that most of these boys will be trying for positions on the varsity squad next year made them play even harder to prove themselves capable of this honor. The team, led by Mike Johnston, Tommy Georheart, Bobby Wilkerson, Buddy Lawton, Reggie Blankenship and Moynord Soyers, showed promise of producing many fine athletes for both the remaining years of high school and college. The above six were not only an inspiration to their team but the high scorers as well. The best of luck to all of you in your basketball futures.

# Eighth Grade Basketball Team

A squad of eighth grade boys proved themselves promising material for the junior varsity team next year. As with most young players just starting off in basketball, they follow Coach Hortsock's instructions well. Even more important they practiced hard and proved themselves good sportsmen. The team as a whole did well and had a good season. Being able to practice only twice a week in the gym hindered the team to a great extent. They were given a good workout in passing and plays in the health room while the gym was occupied by the older boys. The two high point men were Dennis Soyars and Donny Honks. Hots off to the future J.V. and Varsity stars of D. H. S.

Along with the Dukes success of an 8-2 record came the outstanding performances of six fine athletes. James "Bull" Cochran was behind the plate calling the pitches and plays. Harold Ward led the team through the season with his fine pitching and infield plays. Backing Ward were three outstanding infielders: Bill Belcher at first; Ted Anderson at second; and Wallace Bruce at third. Also noted for an excellent performance was Wallace Flinchum in left field. The rest of the team is not to be forgotten, for without them the Dukes could not have had an extremely good season.

## Varsity Cheerleaders

Bonfires, pep rallies, sock hops after the games, and the homecoming activities are all a credit to the Dublin High School Varsity Cheerleaders. They have done much to increase school spirit and promote good sportsmanship. Wherever the varsity teams perform, these girls are there cheering them on to victory.

One of the many rausing pep rallies before a faotball gome.

## J.V. Cheerleaders

Although the attendance may be small for the eighth grade and jayvee games, the spirit is strong as these girls cheer for the teams at all home games. The Junior Varsity Cheerleaders are selected from the eighth and ninth grade girls on the basis of voice, appearance, and poise. It is excellent training for future years when they may be varsity cheerleaders.

Carol Keister, Rosemary Gaking, Charlotte Watson, Nancy Cooley, Jeonette Hill, Nito Croig, Coral Chandler, and Susan Woodyard.

In broiling sun, pouring rain or freezing snow, the cheerleaders were always on hand to cheer D. H. S. athletes through on inspiring game.

Bruises and breaks often result from such games; however, determination brought us to the district championship.

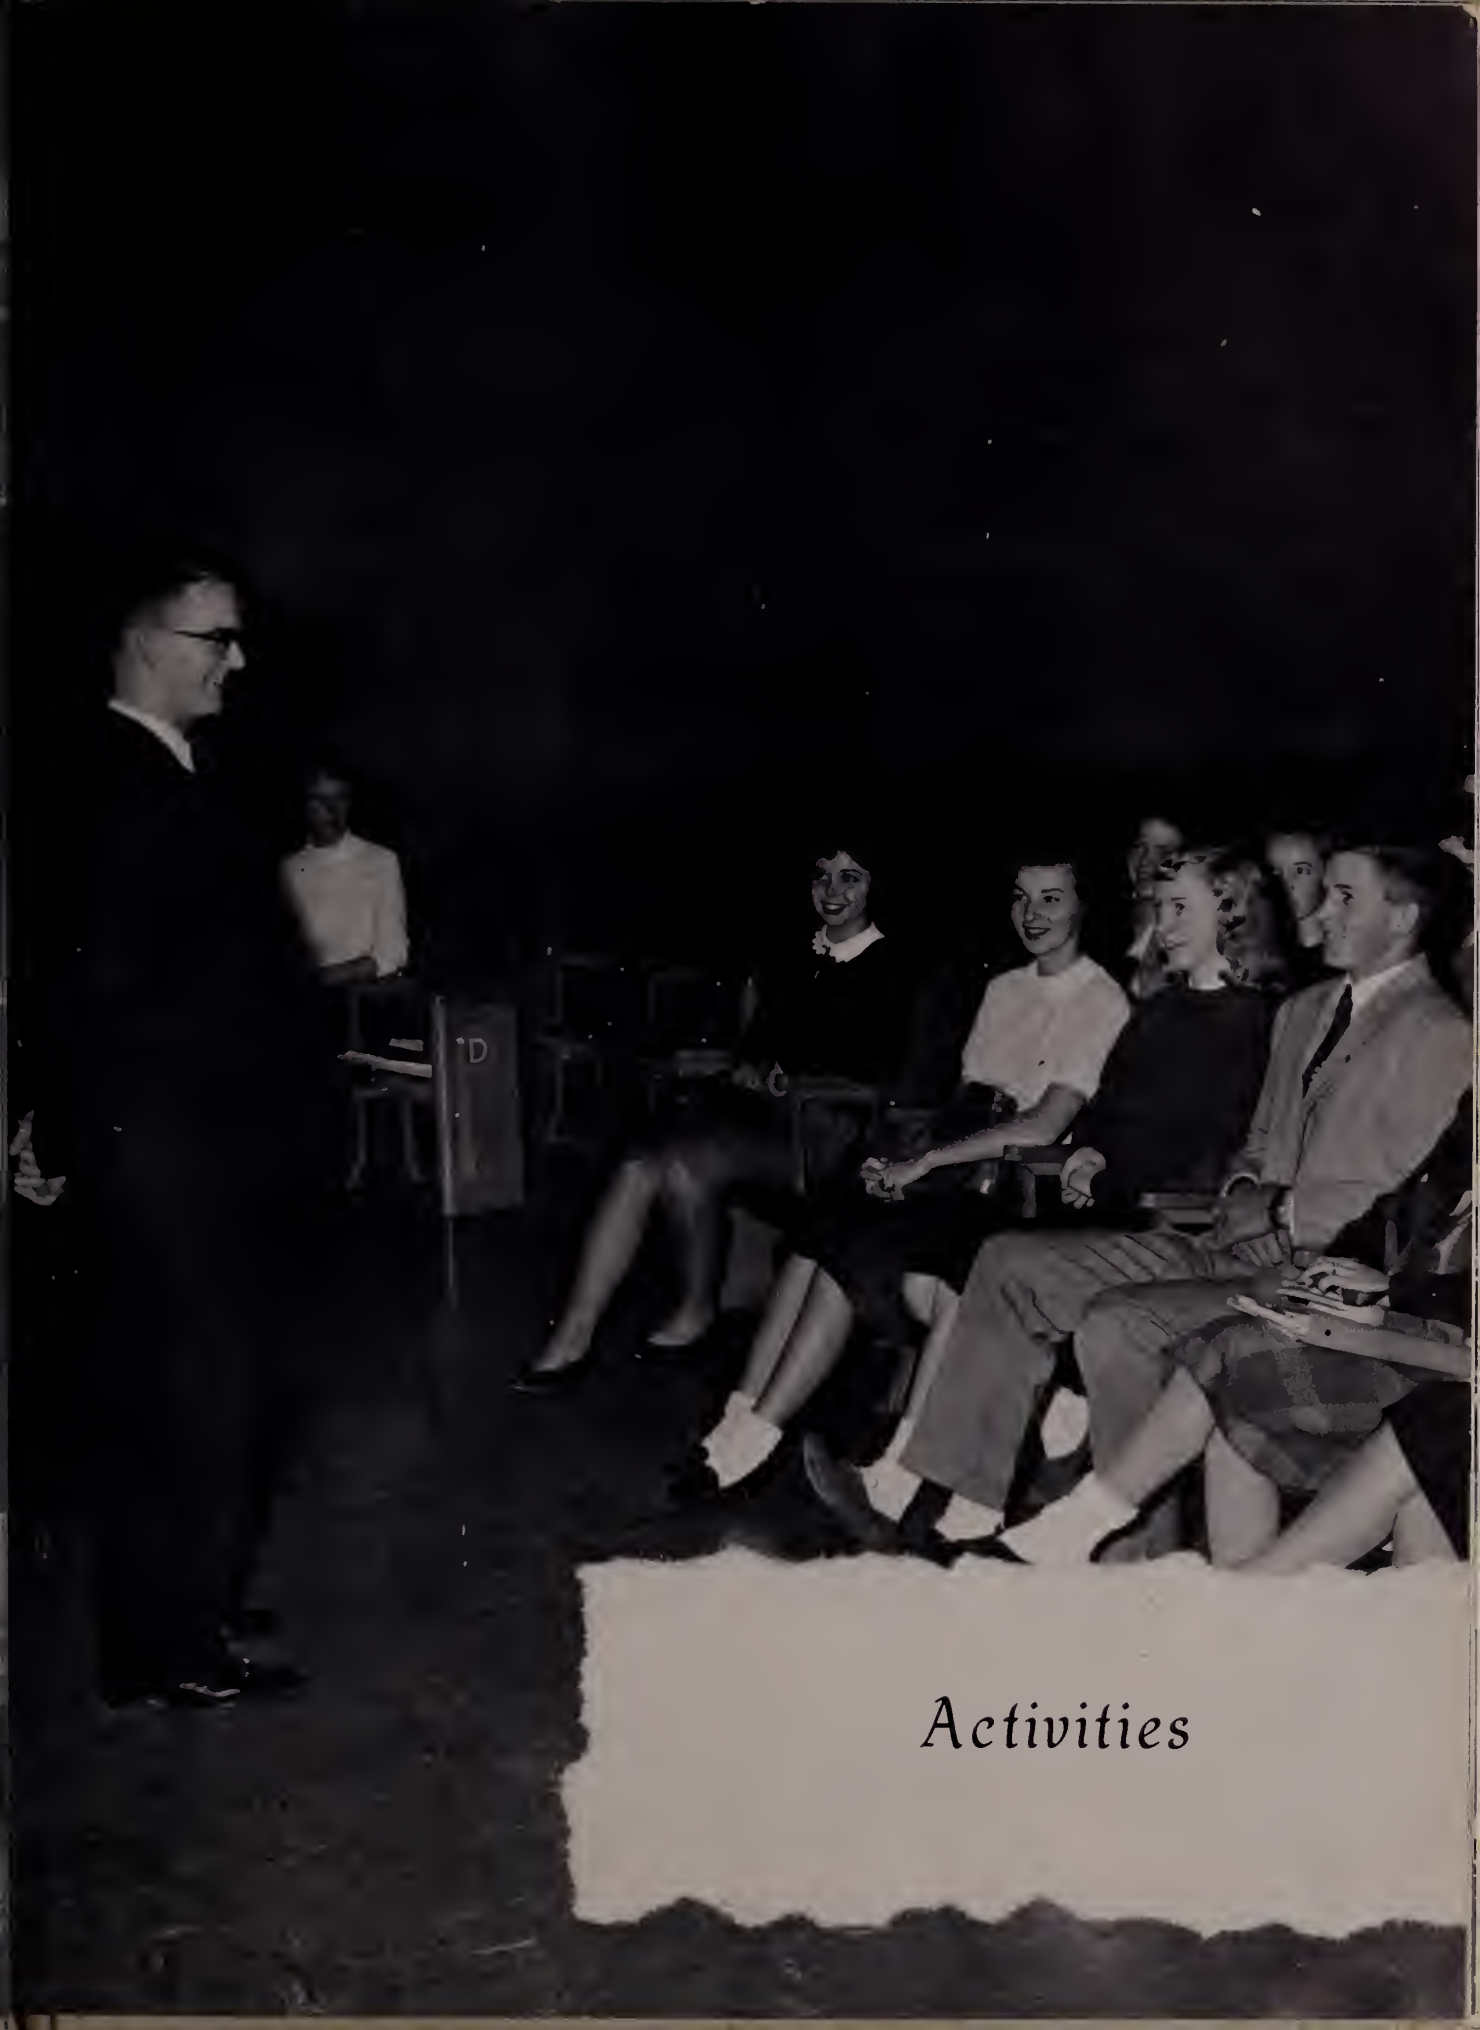

Tension mounts as the ball is in the hands of Lorry Blevins. Large crowds enjoy the battles on the hardwood during the winter season.

After the end of a long winter, we all know spring is really here when baseball becomes the current sport.

## Student Cooperative Association

The Dublin High School Student Cooperative Association includes the entire student body. The council is composed of representatives elected from each home room and all club presidents. The SCA sponsors all clubs, pep-rallies, a light bulb sale, a beauty contest, an "honesty" week, hall and lunch room patrol, the March of Dimes drive, the Red Cross drive, the magazine drive, presents a plaque to the most outstanding club, and presides at all school assemblies. In addition to the above the Dublin High SCA provides coordination, cohesion, and co-operation between and within the total high school program.

One of the important functions of the S. C. A. is maintaining the Student Patrol which can be seen at their stations throughout the school.

## Future Farmers Of America

The Dublin Chapter of Future Farmers of America, second oldest in the nation, is an organization for boys in vocational agriculture which promotes interest in improved methods of farming. The F. F. A. attempts to develop agricultural leadership and good citizenship. Many activities and contests are entered each year on a federation, district and state basis.

Ivan Nester; Wallace Flinchum, treasurer; Not Kelly, reporter; Dailey Smith; John Hall, vice president; Paul Phillips, president; Rusty Moody; Robert Furrow, secretary; Robert Dalton, sentinel; and Sherdon Reece make up the Executive Committee who plan for the coming year.

Hard work and planning pay off as the F. F. A.'s homecoming float wins first place.

The Future Homemakers of America is composed of girls interested in homemaking problems, trends and activities. The club is affiliated with The Mary Draper Federation and the state and national organizations. The club's primary purpose is to improve personal, family and community living through activities carried out by an organized group.

# Future Business Leaders Of America

The Dublin High School Chapter of Future Business Leaders of America is chartered by the national organization of FBLA. This organization is designed particularly for those students who are looking forward to careers in business. One of its chief objectives is to develop strong, aggressive leadership so that these future businessmen and women may participate more effectively in the business and community life of which they are a part. Members of the FBLA learn how to lead and participate in group discussions, preside at meetings and conferences, head and work on committee assignments, engage in group problem society, and participate in other desirable activities which contribute to the development of desirable leadership qualities.

The Dublin High School Band of 1958-59 was an outstanding organization. The band began the season of '58 with a "Superior" rating at the District Music Festival, playing grade V music. The group then walked away with first place in class "B" at the Dogwood Festival. The Bristol Band Festival was also a big day and the D. H. S. group received a trophy and a Division 11 award in marching competition. The band contributed spirit and music to cheer the Dublin Dukes to their second District VI championship.

Miss Brenda Harrell

## *Miss Dublin High School 1958*

The choice of Miss Dublin High School and her attendants for 1958 was a very difficult one for the judges. The audience was filled with admiration as the many beauties paraded before them. The annual beauty contest was under the sponsorship of the Student Cooperative Association.

Many of the students were "busy as bees" preparing floats for the homecoming parade.

Students and old grads turned out for the bonfire given by the cheerleaders the night before the game.

Anxiety filled us all as we crowded into the gymnasium to see who would be crowned king and queen.

Everyone was ready to dance after our victory over the Demons.

A big moment that all the pretty girls vie for each year.

Beauty is only skin deep!!

Anxiously awaiting the crowning of the queen.

Dancing cheek to cheek.

Best of luck and good wishes  
to a real sweet & cute ~~girl~~ boy.

## FUTURE OUTLOOK: PROMISING

We live in a growing America. Our nation is dedicated to progress and the advancement of man and his world. And only through education can the necessary progress of the future be accomplished.

In textiles, tremendous forward strides are being made. Revolutionary new fibers and processes are giving Americans better and more attractive fabrics, for every purpose, than ever before.

Burlington Industries and its member companies and plants are proud to be an important part of one of America's most essential industries.

It's been good knowing  
you this year in the  
hall & hope to  
see you next  
year. Don't speed  
too much.

Best Wishes.  
to a bag like you  
I've enjoyed having  
study hall with a  
mut like you.

Butch,  
 You may have  
 been a little ~~mad~~  
 loud in study hall  
 but I have enjoyed have  
 class with you. I wish  
 you the best luck in your  
 future years at U.S. S.  
 Pat Salomon

Butch,  
 I have enjoyed knowing you  
 for a good many years. Best  
 of luck in your future years  
 at U.S. S.

Mrs. Bradford.

I would like to inform you  
 your son is a sot. the  
 other night I had to carry  
 him home. I am supposed to  
 take him to the A.B.C. Store  
 in C-burg this evening.

ALWAYS Keep him under your  
 thumb.

Butch Keep A Cool too!

Big Ed,

Butch  
 keep a cool head!  
 this summer, and  
 I'll see you next  
 year.  
 always a "Bros"
